Fresh canned papayas in sauce to be used as a "mix-in" with fresh or pelleted diets. Great for Tropical Lizards, Box Turtles, Forest* type species of Tortoises, Hermit Crabs, Iguanas, Crested Geckos, Day Geckos, etc.

FEEDING INSTRUCTIONS:

- Feed hatching animals daily.
- Feed adult animals 3-4 times per week.
- Fruit should be no more than 20% of the total diet (10% with forest tortoises).
- Mash fruit for hatchlings and small species (e.g. Day Geckos).
- Promptly cover and refrigerate contents after opening.
- Not for human consumption.
